Women's health is the value of a society as a whole. Doctors often don't accept that all women have a right to be happy and well. They look at women as burdens to be solved, not as partners to be understood.

Understand who you are. And then be in charge of your life, have your own happiness, and do what you want to do. If you take care of that, then you don't need a doctor. Learn more about your habits. Learn more about your body, learn more about your life. Know you are the master of your destiny. That it's you, not somebody else, that's responsible. When you know that, then you're free. You know the value of health. You know that you're worth something more than pain and suffering. You have a right to be happy. You have a right to be fulfilled. And you have a right to this life.

"I don't want to be depressed, I don't want to be a druggy. I want to be happy and feel great. I want to have a great time." - Amanda Bynes Pt buckwheat, small amount of butter, and cinnamon, mixed and made into crumbs. Place crumbs in the bottom of a.. 3.5. rar [New Version]. as the parent ERBIL, Kurdistan Region — In the past two weeks the Kurdistan Region has witnessed two major protests and actions against Erdoğan's moves. The protest of the Kurdish people in Cizre, Til Birjin and Kobani canton took place on November 7. The protest was in response to IS and AKP attacks on Kurdistan Region of Iraq and due to the lack of basic and international humanitarian and security rights. On November 19, the protest action of "Muğla" was also organized in response to the confiscation and destruction of property, denial of housing, the closure of schools, the closing of health centers, and the lack of basic rights in Turkey and the systematic destruction of Kurdish people's land in Turkey. Prominent Kurdish politicians, politicians and members of the local administration in Cizre are serving detention in the Kurdish Asayis detention center. The protest actions against Erdoğan's policies were held during nights and lasted more than two weeks. On the third night of the protest action at the shrine of Sheikh Zain, the sermons of the priests and the burning of the Quran were part of the protest action. In the past two weeks Kurdish people have been left alone, there is no security or protection. The Turkish state has used all its tools to attack and suppress the demonstrations against Erdoğan's attacks on the Kurdish people and their rights and the democratic process. Turkish state is left with no other option but to use its own people to suppress the protests. On July 23, the Turkish state carried out a major terrorist attack, when 15 people including two from the security forces were killed and more than 100 wounded in Suruc. The terror attack was the result of the AKP government's policy of opening the borders to ISIS and other terrorist organizations. A massacre was also carried out in Cizre. On the night of November 1st-2nd, the commander of the local Asayis, Mehmet Tastan was injured with a sniper bullet shot. On November 4, security forces entered the cities of Cizre, Kirikhan, Dirreş and Serêkaniye, where the protest actions were being carried out. On the morning of November 5, the security forces used tear gas against the people, opened fire and arrested people in the cities. The Turkish state called upon thousands of people from the cities of Cizre, Silop 6d1f23a050
