The player is integrated into Windows and looks like a small application for playing video. The player can display both DVD content, downloaded and streamed online, as well as MP4, VOB and AVI videos stored on a hard drive or on a network folder. The player can

also be expanded to play back additional content such as .mkv, .avi, .avi/MP3, .wmv, .mov or .mpeg files. Fullscreen Movies?.

L'Appel Audio also provides full screen support for MPEG-2, VOB, and MKV files. It is also capable of loading MPEG-2 files offline, and supports any format and image size. Finally, MP4 files can be edited and/or

converted in real-time. The following are some examples. Play online content (UHD media files) with Windows Media Player, while also outputting the soundtrack to AirPlay, so that you can send your music to your Apple's AirPlay 1/2/3 speakers or any smart speaker. With OverDrive Media Console, you can manage your

library, add, remove and search for online files.
